Summary

Passionate and detail-oriented Front-End Developer specializing in React.js and modern web technologies. Skilled in building clean, responsive, and user-friendly interfaces using React, Tailwind CSS, and TypeScript. Experienced through professional training programs and projects that demonstrate the ability to deliver innovative and impactful web solutions. Eager to contribute as part of a collaborative team and grow within a dynamic development environment.

Education

- **Mansoura University** 2025
Bachelor of Computer and Communication Engineering (GPA 3.87)

Trainings

Front-End Development Using React – Information Technology Institute (ITI) July 2023 – September 2023

Course Content:

- * JavaScript & ECMAScript.
- * HTML5 & Bootstrap.
- * React JS.
- * Communication Skills.
- * Project Development.

AWS Academy Cloud Foundations December 2024

Course Content:

- * AWS Cloud Concepts.
- * Cloud Architecture.
- * Networking in the Cloud.
- * Security and Compliance in AWS.

Web Development Internship – Web Masters July 2024

Course Content:

- * Practical training in React.js & modern front-end concepts.
- * Building dynamic and user-friendly websites with modern tools.
- * Applied teamwork to deliver innovative web solutions.

Digital Egypt Pioneers Initiative (DEPI) – AST/ACICT June 2025 – December 2025

Web Development Training – React.js & Node.js

- * Participating in a 6-month professional Web Development program focusing on modern React.js front-end development and Node.js backend fundamentals.
- * Training delivered by AST-ACICT as part of the national DEPI initiative.
- * Developing hands-on skills in building responsive, scalable, and production-ready web applications.

Projects

Traffic Monitoring System – Responsive Landing Page

A fully responsive landing page for a smart traffic solution, built using **React.js** and **Tailwind CSS**. The page presents the system's features, advantages, and use cases in a modern, user-friendly layout.

Technical Skills

- **Front-End Development:** React.js, HTML5, CSS3, Tailwind CSS, Bootstrap.
- **Web Technologies:** Responsive Design.
- **Cloud Dev Tools:** Azure, Git, GitHub, VS Code.
- **Programming Languages:** JavaScript, C++.

Volunteering

- **Public Relations Volunteer at IEEE Mansoura SB (2021–2022):** Supported event promotion, crafted outreach content, and boosted public engagement.
- **Presentation Team Leader – PR at IEEE Mansoura SB (2022–2023):** Led a team of presenters, delivered impactful event pitches, and represented the branch in external collaborations.

Languages

- **Arabic:** Native
